Built In Robes

Immaculately presented and perfectly positioned close to the Four B's of Heddon Greta (Bakery, Burgers, Bottle-o and Beauty) we have the perfect family home for you just a hop, skip and a jump off the Hunter Expressway. We love the proximity of the home to both the shops and access to the Valley. Everything is within striking distance and there's a real community feel to the area says the current vendor.

This solid three-bedroom family home promises a lifestyle of simplicity, comfort and space in a quiet family orientated neighbourhood.

Showcasing three bedrooms all with ceiling fans and built in robes, and the main bedroom offers the luxury of an ensuite. An informal combined living and dining area flows into the spacious kitchen complete with walk in pantry and additional living space is aplenty with a sunken formal lounge room and adjoining formal dining.

For those that love a BBQ the entertainment area off the living area has been set up to please even a large group with a large paved outdoor BBQ space as well as enclosed and screened undercover entertaining space.

A large fully fenced yard is flat to make the yard work easier and is overlooked by the kitchen and living spaces making it perfect for the little ones.

Around Heddton Greta

Heddton Greta

Much more to this area than just the historic drive in, Heddton Greta has seen a massive growth period since the opening of the Hunter Expressway, as Newcastle families seek more affordable housing out of the city but still within easy reach of work and family. The housing development of Cliftleigh Meadows has allowed the suburb expansion and is much sort after in both the first home buyer and investment markets, with a large rental demand as well.

We acknowledge the Traditional Custodians of Country throughout Australia and pay respects to their elders past, present and emerging. The suburb of Heddton Greta falls on the traditional lands of the Mindaribba people
